

ED Report
November 2021

11.17.2021

✓ Completed ○ In Process ⇒ Request **Front Burner**

CAPITAL PROJECTS

Angel Alley

- ✓ Managed parking permits and street signage and barricades
- ✓ Concrete poured on 11/10
- ✓ Trenches closed and resurfaced 11/12
- Still negotiating an MOU with the property owners hosting the electrical panel
- Trenching in the garden for electrical ongoing
- Light poles install week of 11/29

Vermont St Street Tree and Sidewalk Gardens

- ✓ Coordinated outreach and schedule with FUF
- ✓ Held first community meeting
- Coordinating neighbor requests and budget

Iowa freeway pylons - art project

- ✓ Arts Commission has preliminarily agreed to sponsor our Clean CA grant application
- ✓ Artists from the 1:AM Club are producing potential designs pro bono
- Preliminary designs, once approved by the board, can be presented to SFAC, Caltrans for approvals, and for the grant application (due in February). 1:AM will also help with cost estimating.

22nd Street

- ✓ Completed repair of the crosswalk at 22nd and Iowa
- Working with Bauman and the City to repair a major irrigation leak at 22nd and Tennessee
- Coordinating with owners of privately-maintained gardens along 22nd
- Coordinating repair of the concrete planters
- Working with Terri and others on infill planting (once the leak is repaired)

20th St - Amazon & Under the Overpass

- ✓ Amazon has agreed to all major requests - sidewalks, street paving, angled parking, etc. Construction estimated mid-2022
- ✓ Got estimates for art/design application on the Nibbi driveway (a legislated sidewalk)
- Meeting with board members and neighbors on opportunities for the space under 20th

Vermont Greenway

- Reviewing Public Works 95% construction documents for the 17th St project and the Vermont sidewalk, both for maintenance concerns and interface with the Vermont Greenway project
- Preparing budgets for Dec 3 CCG application

Esprit Park

- Participating in planning and review sessions for the park renovation
- Helping to prepare for the Nov 18 community update
- Spoke at ENCAC meeting to advocate for additional funding for Esprit

Minnesota Grove

- Working with Public Works and David Hall on planting lists
- Worked with George Slack and Rachel Strickland to select, purchase and install a memorial tree

Graffiti

- Working with neighbors, Supervisor Walton's office and SFPD on a massive graffiti hit in Dogpatch
- Planning a sidewalk garden to help deter graffiti at 25th and Pennsylvania

Iowa Greening Project

- With Ramses' help, applied for and received a PUC grant worth up to \$12,000 for water connection
- Working with Juan on project planning
- Beginning search for trees

Board Strategy Work

- Coordinating with Alison Hart regarding Dec 11 and board survey

22nd St stairs

- Assisting neighbors in pursuing funding opportunities
- Helping to establish departmental responsibilities

UCSF

- Negotiating with UCSF to return the \$32k balance of the 22nd St Train Station grant
- Established a regular update meeting schedule

Tree Management

- ✓ Had Juan and crew prune a neglected block of Illinois between 22nd and 23rd
- ✓ Had Juan remove dead, failing and invasive "shrub trees" at the Gateway per park steward request

Misc

- ✓ Evaluated proposed City waste cans and criteria for selection of an option
- ✓ Requested and received an updated unaccepted streets map from Public Works BSM

ADMIN

Supplies

- Trying to get graffiti abatement paint from Caltrans and DPW

COMMUNICATIONS/ADVOCACY

Reporting

- Preparing for Dec 6 meeting with Supervisor Walton

Benefit District Alliance

- Participating in formation of the SF Benefit District Alliance

Holiday Gathering

- Working with Barb and Susan on venue and schedule options

Monthly

- ✓ Wrote and processed images for the monthly blast
