

GREEN BENEFIT DISTRICT PRESENTS

CA NATIVE PLANT TREASURE HUNT

EXPLORE. FIND. WIN.

WHAT'S IT ALL ABOUT?

FUN WAY TO LEARN ABOUT NATIVE PLANTS

Did you know your GBD neighborhood parks and greenspaces are filled with native plants? Learn about why they are important, what cool critters they attract and have some fun in the sun doing it! Did we mention there are prizes? This is a COVID safe activity for you and your pod!

HOW DO I JOIN?

CALLING ALL YOUTH, PARENTS, FRIENDS

- 1/ Download and setup account on iNaturalist app and join the project "GBD Native Plants"
- 2/ Find an info poster in a participating store, restaurant or cafe
- 3/ Scan the QR code to reveal the nearest park or green space
- 4/ At the park/greens pace, snap and identify what you find
- 5/ Upload to app and wait to see if you win

SUPPORT LOCAL

IT'S THE PARTNERSHIPS FOR US

A map of the treasure hunt is available on the GBD website where you can locate all participating businesses. Be sure to pick up a hot latte or sandwich while you're scanning for your next treasure!

INATURALIST APP

REGISTER AT WWW.INATURALIST.ORG OR DIRECTLY ON MOBILE APP

You can download app from the Apple or Google Play store. Sign up for an account via app or your desktop browser. Look for "GBD Native Plants", join the project and you are ready to hunt!

LET'S TALK PRIZES!

HAVE FUN AND WIN

First five people to locate six plants will win a gift certificate for a native plant.
First person to find all eight plants, gets a very special (shh it's a secret) prize!

Tell your neighbors and friends!

October 2nd thru 24th

**Dogpatch + NW Potrero Hill
GBD Parks and Greenspaces**

Please follow all COVID safety precautions
